The Company may make such investigation of any Claim or suit, as it deems expedient, but will not settle any Claim or suit without the Insured's consent. The Insured's consent shall not be unreasonably withheld, nor withheld solely on the basis of the amount of money to be tendered in an offer of settlement. All Claims arising out of the same Medical Incident or interrelated Medical Incidents shall be treated as a single Claim and considered as having been made at the time the first Claim was made. Claims arising out of the same Medical Incident or interrelated Medical Incidents shall be treated as a single Claim no matter how many Insureds are involved. The inclusion of more than one Insured or the making of Claims by more than one person or organization shall not operate to increase the Company's Limit of Liability. All related Claims shall be subject to the Limit of Liability applicable to the Policy Period in which the first of such related Claims was reported.

8. CURRENCY & PAYMENT OF PREMIUMS & LOSSES

The premium and losses under this policy are payable in United States dollars.

9. RIGHT TO PURCHASE EXTENDED REPORTING PERIOD COVERAGE

If this policy is terminated for any reason other than those events specified in item 10 below, the **Insured** has the right, but not the obligation, to purchase an Extended Reporting Period endorsement. The **Insured** must notify the **Company**, in writing, and remit full payment within thirty (30) days of the termination date or thirty (30) days of the date the **Company** mailed notification of the **Insured's** option, whichever is greater. The **Insured** must also remit any earned but unpaid premium that may be due under the terminated policy. The policy language that applied immediately prior to the termination date will apply to all **Claims** submitted during the extended reporting period.

Once the optional Extended Reporting Period is exercised as stated above, the endorsement may not be cancelled and will be valid for an unlimited duration of time. The premium for

The Corporate Center Building - 33 Resolución Street, Ste 702 - San Juan, PR 00920-2707

this option is non-refundable and considered fully earned. The Extended Reporting Period does not extend the **Policy Period**, change the scope of coverage provided, or increase the limits of liability. The aggregate limits of liability applicable to the Extended Reporting Period will be reinstated once, to the same limits as those applicable to the terminating policy at the time of termination.

However, an Automatic Extended Reporting Period of unlimited duration will be provided for no additional premium if the following conditions are met: a) the sudden death of the **Insured**, the disability of the **Insured** to carry on the practice of medicine or if the **Insured** retires permanently from the practice of medicine after attaining the age of sixty five (65) years; b) the named insured has been insured by the **Company** for at least ten (10) consecutive years immediately prior to such termination- and c) the **Insured** has not been involved in any **Claim** or suit during the period insured by the **Company** resulting in a payment by the **Company** of any judicial obligation or transaction, other than legal fees or expenses. For this Extended Reporting Period Coverage, the limit of Insurance available will be that of the last policy in effect for the **Insured**. This Automatic Extended Reporting Period does not apply to **Claims** first made against the **Insured** that are covered under any subsequent insurance or any other extended reporting period coverage the **Insured** purchased, or that would otherwise be covered under said coverages, but for exhaustion of the amount of insurance applicable to such **Claim**.

10. OPTIONAL EXTENDED REPORTING PERIOD FOR SPECIFIC CIRCUMSTANCES

In the event of termination of this policy by reason of non-renewal or cancelation because of the happening of the one of the following events, the **Insured**, his heir or guardian, upon payment of an additional premium to be quoted by the **Company**, which shall no exceed 200 percent of the annual premium for the expiring policy, shall have the option to extend for an unlimited duration the period during which **Claims** may be reported to The **Company**, subject otherwise to all the terms, exclusions and conditions of this policy:

- (1) the sudden death of the **Insured**;
- (2) the total retirement or voluntary or involuntary total separation of the **Insured** from the practice of medicine; or
- (3) the disability of the **Insured** to carry on the practice of medicine, but only if such total disability shall have continued without significant interruption for a term of not less than six (6) months.

This Optional Extended Reporting period shall only apply to **Claims** first made against the **Insured** subsequent to the effective date of such termination, but only by reason of **Claims** because of **Injury** to which this policy applies arising out of the rendering of or failure to render **Professional Services** by the **Insured** on or after the retroactive date of this policy and prior to the effective date of such termination and subject otherwise to all the terms, exclusions and conditions of this policy.

The **Insured**, his heirs or guardian, must inform the **Company** in writing of his intent to purchase the Optional Extend Reporting Period for Specific Circumstances coverage within thirty (30) days from the date of the aforesaid termination and must pay the premium therefore in full within that thirty (30) day period. Failure to so inform and pay the **Company** within this thirty (30) day period shall void the option to purchase the Optional Reporting Period for Specific Circumstances coverage provided in this section.

The Optional Extended Reporting Period for Specific Circumstances coverage will be subject to separate per **Medical Incident** and aggregate liability limits equal to 100 percent of the expiring policy's per **Medical Incident** and aggregate limits.
